Creating a Trip

From the Start Page click the “Create a Trip” Button.

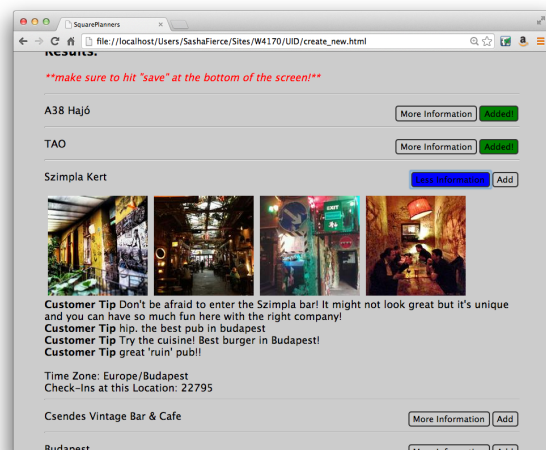

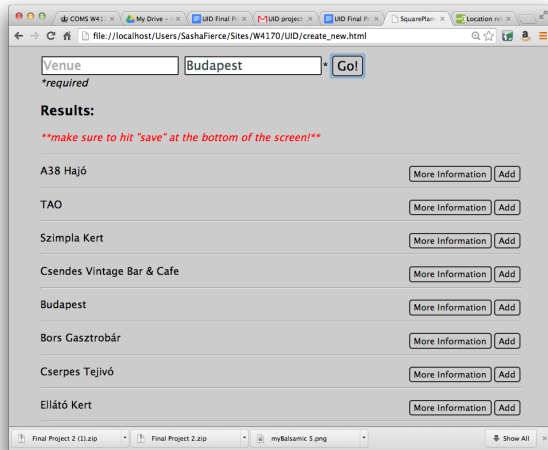

Fill in the itinerary name, the venue you are looking for and the location of what you are looking for the click “Go!”. Your trip has been created.

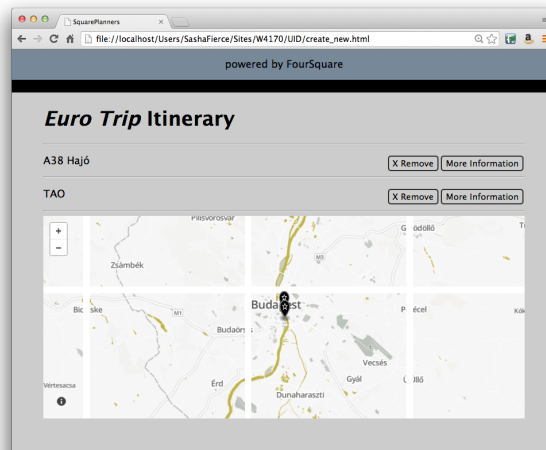

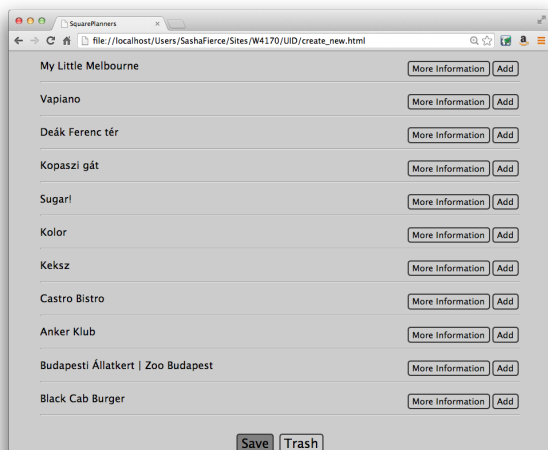

Adding Locations to a New Trip

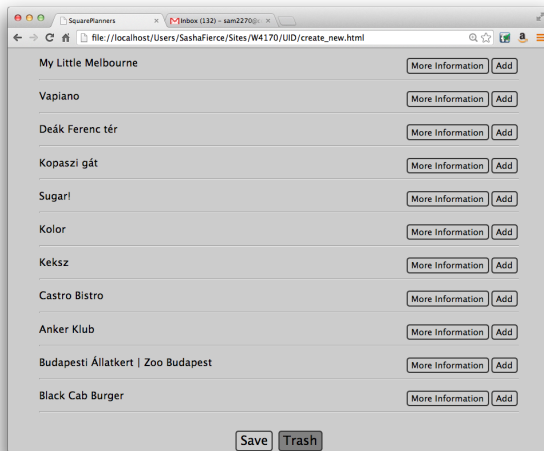

Once you have created a trip, simply scroll down to see the result of your venue search. You can simply click the “Add” button add a location to your trip or you can click “More Information” to see photos, customer tips, timezones and FourSquare check-ins.

Once you have finished adding locations to your trip, scroll to the bottom of the screen and click “Save”.

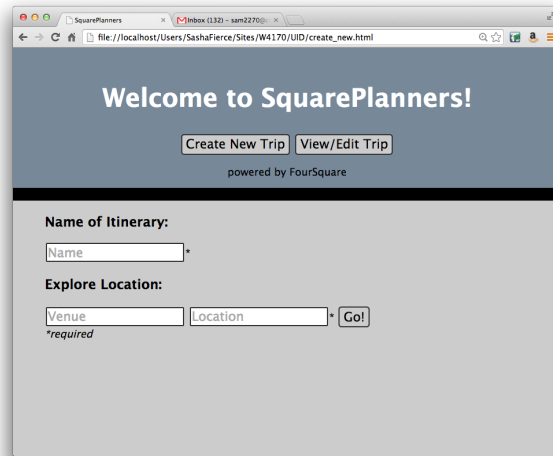

If you don't want to add any of the selected destinations, just click "Trash" and your results and additions will be removed.

Deleting a Trip

To delete a trip, first click the “View/Edit Trip” Button at the top of the page.

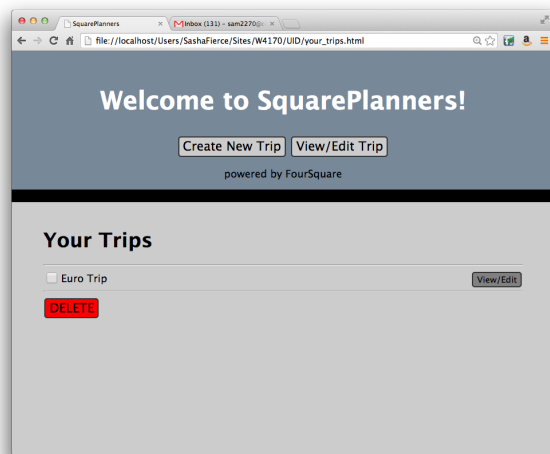

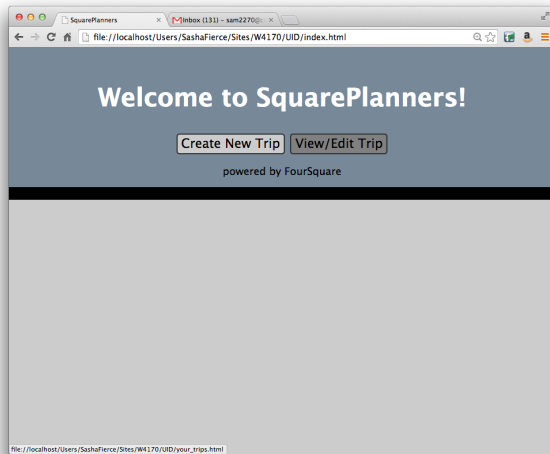

Using the checkboxes at the left of the trip names, select which trips you would like to delete. Click the “Delete” button and the trips will be removed from your list.

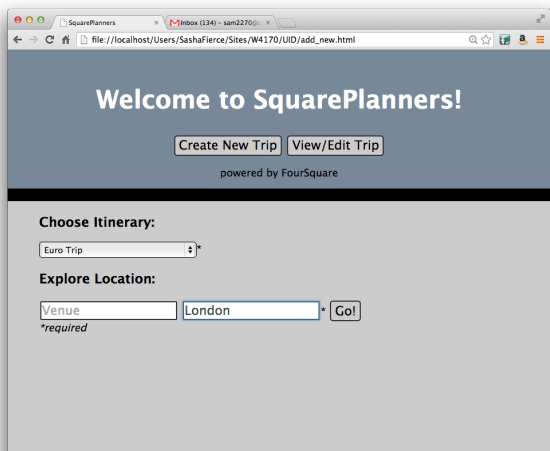

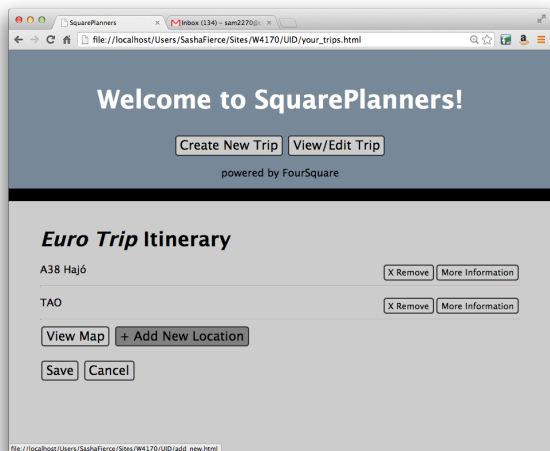

Adding Locations to an Existing Trip

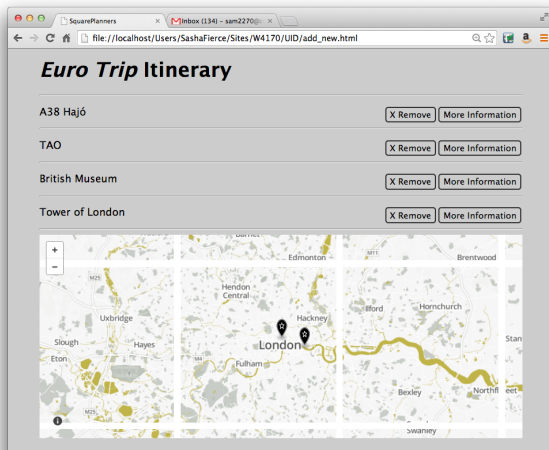

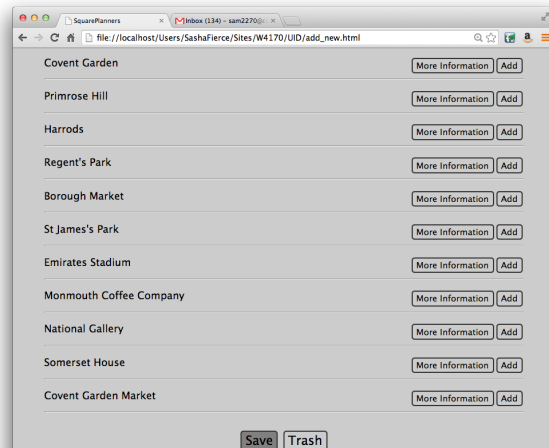

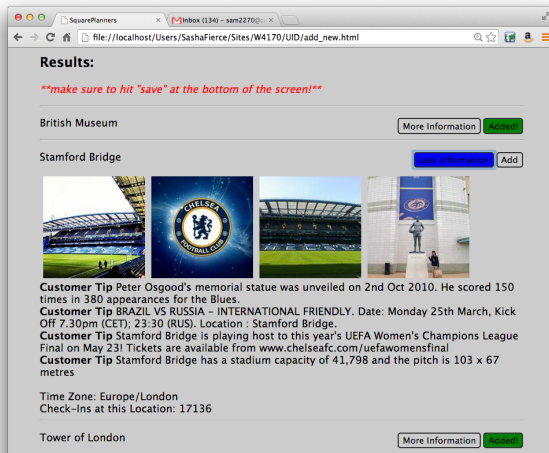

Click “View/Edit Trip” at the top of the page. Then click “View/Edit” to the right of the trip you want to add locations to.

Click “Add New Location”. Select the appropriate itinerary from the dropdown menu, enter your search terms and click “Go!”.

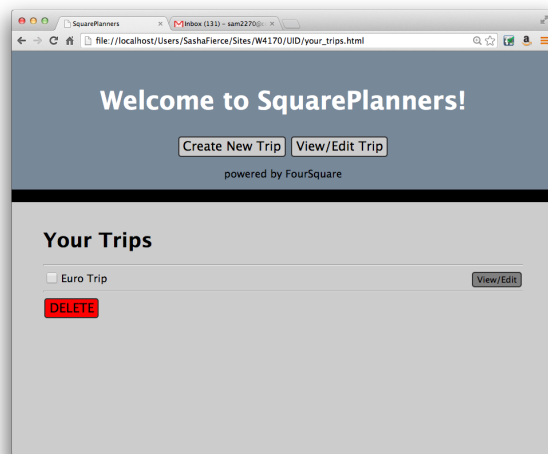

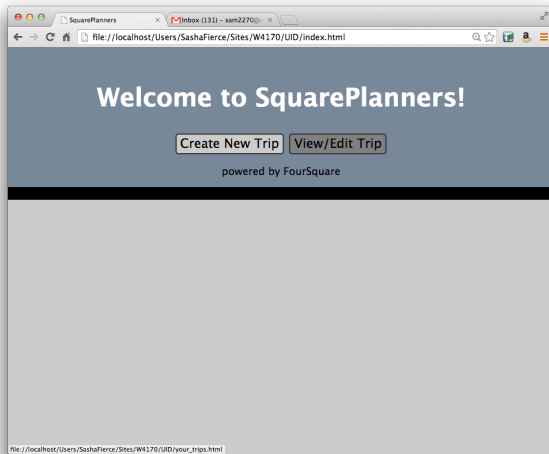

Click “Add” next to the appropriate locations and hit save at the bottom of the screen.

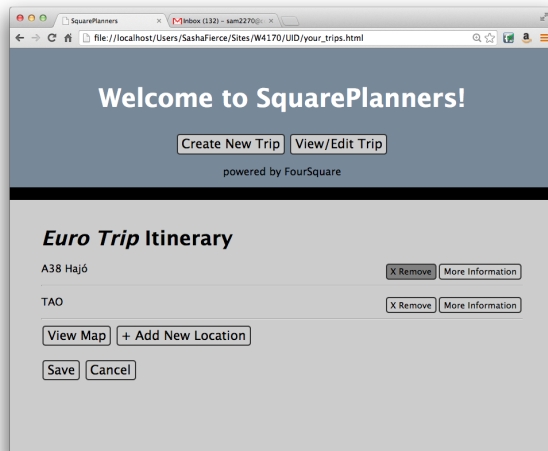

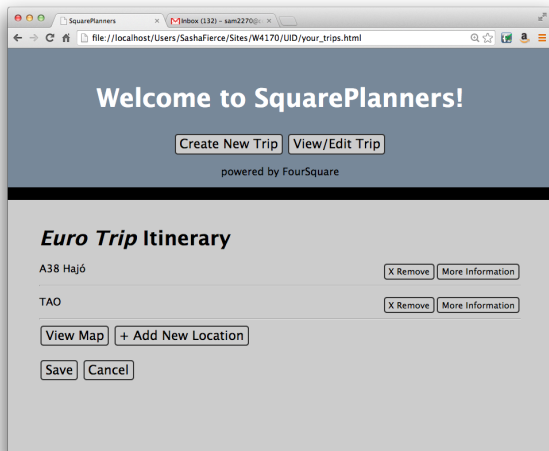

Removing Locations from an Existing Trip

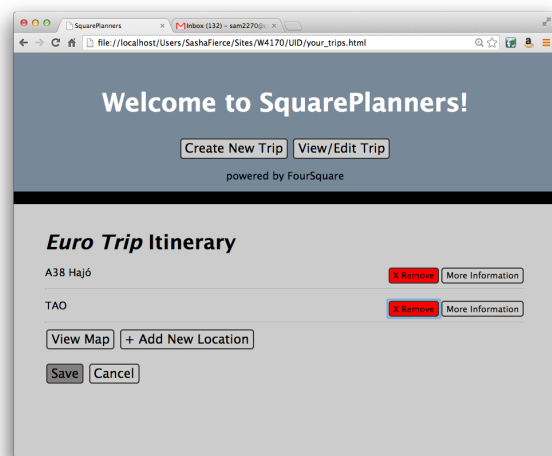

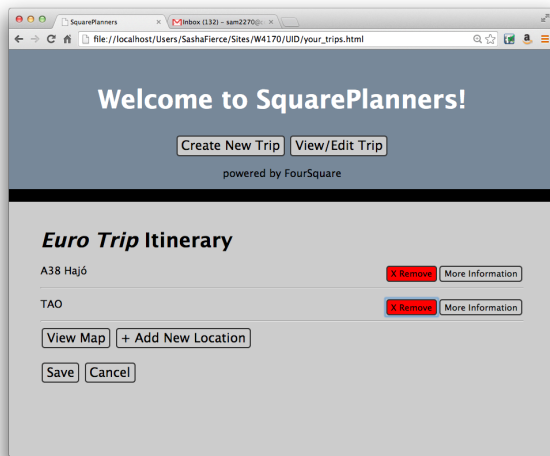

Click “View/Edit Trip” at the top of the page. Then click “View/Edit” to the right of the trip you want to remove locations from.

Click the “Remove” button at the right to select the locations you want to remove from your trip.

Now that the locations are selected click “Save” to delete the items.

Alternatively, you can select “Cancel” and the locations will not be removed from your list.
